EDUCATION

IBS West Campus: A Human-Sized School with a Global Focus

Offer your child a unique educational environment where individual development and language learning are at the heart of our priorities.

A privileged setting for optimal learning:

- Small class sizes (maximum 20 students per class): Individualized follow-up and special attention to the needs of each student.
- 3 classes maximum per level: A family-like environment conducive to creating lasting bonds between students and teachers.

A program of excellence:

- Bilingual education from the 6ème (Grade 6) :
 - History-Geography in English and French
 - Chemistry and Biology in English and French
 - Mathematics and Physics in French or English
- French as a Foreign Language (FLE) and English as a Foreign Language (ALE): In-depth language learning for an opening to the world.

Choosing **IBS West Campus** means choosing a stimulating and supportive learning environment where each student is encouraged to excel and reach their full potential.
